

2503 PREMIUM FUEL INJECTOR CLEAN-UP KIT

The Penray Premium Fuel Injector Clean-Up Kit is designed to provide an extremely thorough cleaning of the entire fuel system. It cleans through-the-rail, it cleans the throttle body, it removes carbon, and it cleans the tank. By attacking all the major system components this product will provide the best available cleaning on the market.

- Provides total fuel system clean-up
- Restores performance and driveability
- Cleans harmful deposits and carbon
- Improves mileage
- Prevents hesitation, stalling and poor performance
- Provides increased power and acceleration
- Provides improved idling and quicker starting
- Helps reduce emissions

Penray SP304TR and SP300FI professional installer tools are the perfect tools to provide total fuel system clean-up!
