

# Introducing,

## 2512 TOTAL INTAKE SYSTEM CLEANER

Penray 2512 Total Intake System Cleaner provides a safe and effective cleaning by removing carbon deposits and cleaning the intake system and upper engine. It also reduces emissions and improves performance and power. Penray Total Intake System Cleaner is designed for both diesel and gasoline engines.

- For gasoline and diesel engines
- Cleans intake valve seats and compression chamber
- Safely and effectively removes carbon build-up
- Cleans upper engine and intake systems
- Helps eliminate rough idling, knocking, and pinging
- Helps reduce emissions and improve power and performance
- Eliminates hydrostatic engine lock
