

Penray's New Hang Tags Are A Great Tool For All Kit Services!

Keep Your Customers In The Know With The Information Included On The Hang Tag.

With space to outline the service completed today and detail the service necessary during the next visit, customers leave the shop knowing their service advisor has kept them informed. Further, the tag highlights the Lifetime Preventive Maintenance Protection Plan in clear terms to help keep your customers protected.

Lifetime Preventive Maintenance Protection Plan

Protection Of Your Vehicle For Up To 8 Vehicle Model Years Or Up To 210,000 miles!
Ask your Service Advisor for complete details.
