

ARE YOU SURE YOU KNOW WHAT'S IN YOUR COOLING SYSTEM?

Penray's Fill-For-Life® is the solution! Install a Penray Need-Release® filter to eliminate the need for scheduled coolant changes between engine overhauls. It automatically releases supplemental coolant additives (SCAs) to provide superior protection against corrosion, liner pitting, and scale.

DID YOU KNOW THAT NEED-RELEASE...

is compatible with ALL conventional, extended-life, long-life, OAT, NOAT, HOAT, GO-5, and automotive coolants

is compatible with ALL colors of coolant: pink, fuchsia, red, orange, yellow, green, blue, and water

fixes coolant problems

eliminates concerns about top-off fluids

eliminates the need to drain, flush, and refill your system

helps eliminate down time and saves valuable maintenance dollars

repairs organic acid and extended life coolant contamination problems

lasts 150,000 miles, 15 months, or 3,000 hours guaranteed!

That's why Penray coolant technology is first fill at Freightliner, Kenworth, Mack, Peterbilt, Sterling, and Western Star, not to mention approved for use by every major engine manufacturer. So use Need-Release and don't worry.
