the Power of

Red Grease 701

Lubricates and protects hard to reach surfaces. Liquid coating quickly cures into a tough, non-tacky light grease. Prevents corrosive attack to any metal surfaces. Ideal for protecting tools, linkages, conveyors, couplings, shovels, and slides
Net Wt. 11 oz.

Inner Slide Lube 705

Contains a high concentration of moly sulfide. Lubricates and increases the life of forklift inner slides, elevator slides, rails, torsion bars, fifth wheels, and rollers.
Net Wt. 10.5 oz.

Chain Lube 706

Contains a high concentration of moly sulfide. Provides the ultimate in lubricating qualities, along with a special property that prohibits the product from "flying off" under high velocity applications. Designed for use in many chain drive applications.
Net Wt. 10 oz.

Dry Graphite Lube 709

Excellent reducer of friction and heat. Lubricates and protects by penetrating into uneven microscopic surfaces. May be applied to wood, metal, plastic, rubber, leather, and painted surfaces. Graphite film retards rust and prevents corrosion.
Net Wt. 11 oz.

Battery Protector 711

Prevents build-up of corrosive materials on battery terminals. Eliminates oxidation and seals out moisture. Product is orange tinted to guide user during application.
Net Wt. 11.5 oz.

Battery Cleaner 712

Neutralizes harmful battery acid and helps dissolve common deposits that reduce positive electrical contact.
Net Wt. 15 oz.

Electric Motor Cleaner 714

Safe, non-flammable cleaning agent for electrical system parts. Evaporation is quick, leaving no residue. Extension tube is included for more exacting spray pattern.
Net Wt. 19 oz.
