

NEVER LOSE YOUR COOL

BE PREPARED FOR ALL ROADS AHEAD.

BE A PRO! GO WITH A PROVEN LEADER IN COOLING SYSTEM PRODUCTS.

For over 60 years Penray has gone above and beyond to provide quality products to ensure your coolant is protected.
NOT JUST PERFORMANCE, PENRAY PERFORMANCE.

While many coolants and antifreezes guarantee protection for the life of the engine, it is highly recommended that you regularly maintain and test your coolant to ensure its condition and protection levels. Test strips from Penray are the best solution to get quick and accurate results in just a few seconds. Penray provides several options.

PENRAY TS200 3-WAY UNIVERSAL TEST STRIPS

The first and only test strip designed for all heavy-duty coolant types. Quick and effective way to test your cooling system in both conventional and extended life coolant.

- For use in all heavy-duty coolant types, including extended life coolant
- Effectively tests freeze point of conventional and extended life coolants
- Tests for contamination and chemical protection in extended life coolant
- Accurately tests SCA (nitrite) concentrations in conventional coolants
- Quick and accurate results in minutes

Part#	Quantity	Container Type	For Use In
TS200	25 per bottle	Bottle	Fully Formulated and Extended Life

PENRAY TS100 AND TS102 HEAVY DUTY 2-WAY TEST STRIPS

Designed for use in standard and conventional coolants.

- Effectively tests SCA (nitrite) and freeze point of conventional coolants

Part#	Quantity	Container Type	For Use In
TS100	50 per bottle	Bottle	Fully Formulated
TS102	10 per bottle	Bottle	Fully Formulated

PENRAY PTK103 COOLANT LAB TEST KIT

All our testing is completed by an independent laboratory.

Part#	Container Type	For Use In
PTK103	Bottle	Coolant Lab Test Kit
